Biography:	<p>My name is Sitaish Wilson and I am 7 years old. I am studying in class Nursery. We are four sisters and two of them are living in NLF Orphan home. I belong to a very poor and scattered family as my mother is paralyzed and can't work at all. My father is drug addicted and do not work and take care of family at all.</p> <p>My Elder one sister left home due to father's drug addiction and other habits, now we don't know where she is at the moment. Second elder sister is also drug addicted and doing illegal activities.</p> <p>One day NLF Team visited our home and met our mother to take me and my fourth sister to NLF Home. I am thankful to God and then NLF Team who took us in NLF Home and taking care of us. Now I am going to school and I wanted to become a Doctor so I can do treatment of my mother and all those who are sick and paralyzed.</p>
